I just bought the game Red Steel yesterday, and realized that it's not what I wanted (I was shopping for party games). I cannot return or exchange it because Fry's policy is that you cannot return software once you remove the shrinkwrap. So I bought some games online, but I'm still stuck with Red Steel.

If you have a Wii and would like to trade this brand new game for another, let me know. Games I would like to trade for include:

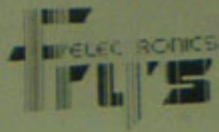

- * Super Monkeyball Blitz
- * Tiger Woods PGA Tour 07
- * Trauma Center: Second Opinion
- * Excite Truck
- * Sonic and the Secret Rings

P.S. This thread is for people who are interested in trading. This is not a thread to bash/discuss/flame Wii versus other consoles or review the games. Posts not about the trade will be deleted.

Edit: Here's proof that I bought it yesterday:
