I'm sure your dad, uncle, ... would appreciate if you pay 30 \$ to BHS, which is the usual price for getting unbanned. Just to avoid you doing it again and getting your dad, uncle, ... banned again. paying \$30 dollers to get unbaned i wouldint i would just trash renguard and chang my ip address which can be done by conntacting you internet provider and regeesting a new one

nice bump but w/e... you cant just circumvent a renguard ban by changing your IP! and even if you could, they could find you again by the other information which gets submitted easily anyways.
