20:43Ask the server owner or something... don't make a public topic to us. :/
And how would i find out the server owner? Its the one that suggests you download Ren-guard.

.- What was the game title? I believe that when you said "AOW2" server, you're referring to Jelly
Server?

yes, jelly-server AOW2

i got banned from a server once for typing w.f... bot saw it as wtf.
