Crimson wrote on Mon, 04 June 2007 05:00I've already coded the official ladder. (well, jointly with SK)

this ladder runs on per-server recs and could easily be modified for a global ladder?

in fact i just might do that anybody think its a good idea?

also, thank you for the offers - i will be contacting you on an individual basis via PMs/MSN/IRC etc about the coding - Thanks
