Oblivion165 wrote on Sat, 09 June 2007 10:09I would of demanded to be on the mod team if it was Vice City, never cared for the whole Gangsta' mentality or mannerisms and refuse to support it.

How much did Blazea 3d model? He was the only one I noticed credited.

That's a crap load of modeling.

95% of it (not including, weapons, and vehicles.)
