Continuing on your last posted count, it looks like WhiteDragon is next in line: (Count is from original thread, I haven't counted any from here)

34 icedog90
21 Doitle
19 Whitedragon
16 YSLMuffins
12 Paradox
11 Goztow
11 Renx
6 Hydra
6 Merovingian
6 Oblivion
5 Danpaul88

And thanks for putting me in the unofficial poll Viking, maybe I'll get more than 6 this time
