BlueThen wrote on Sat, 14 July 2007 21:31use the "serial changer" at http://www.renegadeforums.com/index.php?t=msg&th=19368&start=0&rid=2 0681 and use the serial it gives you and put that in the serial place in the settings file, and tada.

Again, that serial changer provides you with a serial HASH only, you need the ORIGINAL serial copied exactly (but without the -) from the back of your game manual. If you don't have your game manual anymore go and buy a new copy, it's easy to find in the bargain bin, usually on offers like 3 for £5.
