Halo2pac@DCOM forums
yes i am having trouble with making a !teleport command for my server with luaplugin.... i need to
be able to have some 1 teleported to me like for a test .. can some 1 gimme some code?.. plz no
smart ass comments like google it.... i have tried bunch of crap i say...... (command would be like
!teleport <player>, would bring him to me facing me)

--check out my lua skills @ halo2pac's super aow:SFE server a000000ah ---

Yeah, You're just asking for the code.
