The screenshot shows a web browser window titled "Renegade". The main content area displays "Advanced Listings" in large, glowing yellow text. Below the title, there are status indicators: "Connected To: USA Server", "Login: thrash300", and "Speed: Lan/T1 bps". A table with columns for "Icon", "Host Name", "Game Name", "Game Map", "Players", and "Speed" is visible, but it is mostly obscured by a large, semi-transparent map of a game level. At the bottom of the interface, there are several buttons: "Back", "Page Buddy", "Refresh", "Host a Game", and "Join Game".
