Crimson wrote on Mon, 17 September 2007 07:02The dash is a lot better. The whole center is like a console that appeals to my inner geek. The speedometer isn't in the middle anymore, thank goodness.

Holy crap that center console kicks ass, they have to start doing that on more vehicles.

My parents had a quest back in 98 and that thing was awesome. Everyone had their own personal chairs and A/C control. That was some big stuff back then and especially if you lived in Texas
