Caveman wrote on Mon, 15 October 2007 09:08What server did you get kicked/banned from? I haven't really seen server owners ban people for swearing unless it gets to the point where it disturbs players gameplay. Are you sure you wasn't just kicked?

Lies! There was a server I once played that you had three chances, if you said a swear word Bren Bot said you had a warning and that you would get banned if you said another swear word. It would tell everybody that you cursed. Then after three warnings it would be an auto ban.
