Moderators: Respect the decisions of the moderators, they hold that position for good reason. If you have any serious complaints, contact Crimson or Blazer privately. Do not start a public bash-fest against a moderator you don't agree with.

Also keep in mind that you are not a moderator. You do not decide when threads are locked, posts are deleted, etc., and therefore should not post as such in threads. The "Report Message" and Private Message features are there for a reason.
