Rubi your a tool if you can't handle that then get off the internet. And wtf does being christian have to do with it? Fuck I hate religious nut balls.

It's ok...I was the one who disabled my picture seeing the Christians here can't handle it. I was afraid they will pray to Jesus to cause my car to crash lol.

Funny thing is how the Christians get offended by that picture and then go on to say some shit about APC rushes and call for training n00bs instead of kicking them off the server! For fucks sake LMAO! Like as if Jesus will endorse these violent video games ROFL.

I have more cool pictures like that which I will use in the future (if God doesn't strike me down first) ROFL!

I'm Christian, I don't find it offensive.

Me neither. I've laughed at Jesus jokes that athiests were offended by.
