Homey, u want me to be all flaming! Serious flaming then here's a dose 4 you!

FUCK OFF YOU STUPID LITTLE SNIDE SHIT!-->WHO THE FUCK ARE YOU TO CRITICISE ME?! GO AND HAVE SOME FUN WITH YA MUM IN BED ASSHOLE!

And as 4 the dude with the Pilot as his Avatar(Can't remember your name!)

I AINT RESPONSIBLE 4 SHIT!

You come live here in Derby,UK and try to controll my psychotic little brother! BET YOU CAN'T DO ANY BETTER!

WHAT DO U WANT ME to DO, RIP THE ROUTER OUT AND HIDE IT!?

CUS IT'LL BE THE ONLY WAY TO STOP HIM HAXING LIKE A BITCH ONLINE!

Capiche...this is me really flaming at people

If you lock this topic, i aint gonna ever forget this!

Jelly[RA], that incident...year or 2 back! They are such assholes i still detest them now! Even after 1 year i will not even look into there server if im bored 2 death and nothing 2 do!->At the moment im dead reliant on others servers and such 4 entertainment cus my server is broken!

The big thing im so angry about is that all of you assume it's a doddle to get out of a ban situation where your brother has haxed and got you in deep shit bans with over 10 servers!

Well news FLASH! It aint!->

I mean you just expect me to approach to you all and be all happy and pleasent as if it's no big deal...end up turning me away and saying NO in the end even after all my efforts such as the Nick bans instead of I.P, the picture of my little bro!

When people treat you like that for something you havn't done it's gonna make you angry and infuriated!

What's a doddle?
