cmatt42 wrote on Thu, 27 December 2007 16:16The poll was confusing at best, but I like PayPal. Though, most of the online stores I want to buy from still don't accept it, it works well when it is accepted.

Download the Virtual Card. It lets you use your PayPal account as a credit card, so the store doesn't have to accept PayPal. I've used it, and it works seamlessly.
