Dover wrote on Tue, 15 January 2008 22:30What I'm doing isn't an extreme of anything.

I meant in terms of definition #3 that Bluethen posted.

That's fine, but I'm still not at the "extreme" of anything. So even IF we allow extreme criticism to be termed "bashing", I have not "bashed" anything.

Unless you can direct me to some evidence that I have done otherwise?
