AircraftkillerReal bright, start up a topic for nothing but the purpose of insulting someone else. Oh come on now. Don't you see how much time and energy this would save you? If everyone had this you could spend your time making maps or playing and you, too, would know that the forums are clean and safe! It's a Win-Win situation for everyone!

It's a joke. It wouldn't be so funny if it wasn't loosely based on the truth.

Come to think of it, I did forget to run my original post through the program.
