Can't believe i just had to split 3 pages of off topic-ness from the "Fux-clan recruiting" topic...

I want to remind everyone of this forum rule:

Quote:Harassment/Racism/Flaming: Harassment of other members, racism, or any hate speech in general will not be tolerated. Moderators will be the judge of what is intolerable, and what is not. Also, please refrain from flaming other members. If you really must, keep it inside of the Hot Issues forum.

While I don't think the moderators are very strict on this rule, I do think that telling people to "go suicide like their mom told them to" is a bridge too far.
