nvidia?

(I didn't use these actual settings as I have yet to set it back up and this is on vista so its not exactly the same, but it does work for the Nvida 5500 +.

Manage 3D Settings

You can change the global 3D settings and create overrides when the specified programs are launched.

Would like to use the following 3D settings:

Global Settings Program Settings

Select a program to override:

Program

- Red Faction II
- Red Orchestra
- Renegade.exe
- Requiem (requiem.exe)

2. Specify the settings for Renegade.exe:

Feature	Setting
Anisotropic filtering	16x
Antialiasing - Gamma correction	Use global settings
Antialiasing - Mode	Override a
Antialiasing - Setting	16xQ
Antialiasing - Transparency	Supersam
