I'll answer politely before the flammers get in.

1. There is no advertising on this forum, never has and Crimson has said there never will?
[citation needed]

2. If you want to promote a site or clan, the best place would be <http://www.renegadewiki.com/>

3. Your site needs a lot of work, it looks very unprofessional

4. Please don't behave here like you did on the BBF forums, you'll get flamed a lot more here.
