Almost all skins could be more detailed and better overall. But this is Ren, we have to improve them by ourselves.

Sakura definately has a D Cup!

I even don't know from where in the deepest areas of the Interweb I DLed this. But hey huh kehrs?

You are right. I will work on this and get this done right and post here with the new skin. Thank you for uploading this.

And yeah, Sakura is probably the hottest female game character.
