Why the hell does this ALWAYS happen to me!

I find a website I just fucking LOVE, or a TV show that I love, or a game company that I love.

The next thing I know they get bought out by EA(games), canceled(TV), or shut down(stage6)!

WTF?

Sereously this happens all the time when I find a good TV show that I like it gets canceled a month later no joke.

This means you have to die for said games/TV shows/websites to not be bought out/canceled/shut down.

So... What are you waiting for?
