Hey guys can someone create a cool Skin for my new clan ?

Like:

Only for Deadeye & Blackhand Sniper.

Write TmX on the back of the Blackhand & deadeye in a cool text.

And change the other colors too.

that it looks like your in the MatriX

Not too bright because i want to play Clanwars with it .

Can someone fix this for me ?

When i forget to reply here ...

Please create a topic on the TmX site >>> <http://TmXclan.tk>
