MSwindows wrote on Wed, 02 April 2008 18:21Stop the bullshit. It does work noob, maybe not on thoes 50 player games, but in a game with 16-20 players it works. Mostly becuase everyone tryies to go to the base. Through the tunnels and pathway because I have stopped them always this way becuase everyone leaves and I defend the base and stop like 4 rushes faggot.

Just because it does not work for you does not mean you need to bitch.
I'm usually the lone soldier waiting at that side .
