Subject: Please: can someone convert these models into *.gmax
Posted by rrutk on Thu, 17 Apr 2008 21:52:47 GMT

Edit: done it.

Please: can someone convert these 3 models into *.gmax files? Source would be max and/or w3d.

My 3dsmax9 doesnt like them and my w3d-importer for gmax doesnt do his job either.

I would like to fix them.
