Quote:

I might be wrong with this but didn't Westwood die BEFORE Renegade was released? Meaning EA canceled (or took over) development and sales had nothing to do with it..

Actually, Westwood was still around after Renegade. They released patches and such, which added the maps and flying units.

Westwood wasn't disbanded until after they presented C&C Renegade 2 to EA (and had done considerable work on C&C3: Tiberian Twilight and C&C Continuum)
