Now that's a post. Although there were many obvious spelling mistakes you still made me laugh out loud.

Most Extreme Elimination is the best damn show on TV. If you guys haven't seen it, you are really missing out.

I hope my trip is as funny as yours, but for some reason, I don't think so. Because you see, I live in Orange County, where it's about 85 degrees right now, and the water is about 73 degrees (pretty damn warm). Anyway I'll be leaving on Wednesday to tour colleges (Naval Academy, Norwich), and D.C. I'm only looking forward to the Air and Space museum. From looking at the Weather Channel, I'm in for a doozy. Oh well I got TS and RA2 on my laptop. Anybody think I'll be bored after a 8 hour plane trip?

If anyone is in the area, look me up. I'll be in the Smithsonian on Friday or Saturday.

Here is what I look like

Well Cya guys.
