well

my parents want us to go out side but we wont

me and my brother are modders so we help mods and we dont reall like to go out side because we are busy

my current mods are

CNC ES and Delta

my brothers mods are

BFD , delta , cwc, scud storm, and some other

i'm a modeler, renegade modders, mapper , photoshoper,

my brother is a modeler and a texturer lol
