trooprm02 wrote on Sun, 08 June 2008 11:43Hmmm, the fact reborn has it on their forums, and no on ren-x, etc makes me think it actually just be something related to Reborn (vech release maybe?), that only Crimson+Renardin would know about, but last time I checked, they were in contact anyway, AND thats where this whole source-code "what did EA exactly say" thing started...The more I think about the more confused how everythings connected lol.. FYI, Renardin's not in charge of Reborn anymore. reborn and DarkAngel are the co-leaders now. Also, the vehicle patch is nowhere near completion yet, and they're working on a balance hotfix first. I doubt that's good enough to warrant editing the forum code here.
