I think Larry O'Brien should pass a bylaw barring troop from living in Ottawa.

Nah, he should just ban pigeon's like your parents. Lol, sadukar come over to my house! I promise I won't beat your skinny pale self.

Its kids like me that make sadukar have to resort to these forums, haha.

@nss, yep, well actually its like 99%. Cheesesoda is pretty cool tho, 25 lives in parents basement (confirmed by him).

and the fact that gozy got sooo offended and took the time for that pic, never posted a pic, and spends this much time policing the forum, he MUST be really cool!!!!

Yup, because he does the job of being a moderator that was assigned to him well, doesn't do illegal bullshit, doesn't waste his time trolling forums, doesn't ignore topics created about him, etc. I'd say he's pretty cool.
