Crimson wrote on Tue, 10 June 2008 15:09The arrow is busy at n00bparty '08 at my house but after he sobers up and catches his flight home he will reveal all.

Well, we can atleast rule out the possibility of the arrow living in Arizona then.

AHA, IT MUST BE IN ANY OTHER PLACE THAN THERE. Using my AWESOME powers of deducting AZ from one of the possible places, I now have a SLIGHTLY higher chance of finding the arrow and smacking it with a trout until it tells me what it means!

AND IT'LL BE A WET TROUT, TOO.
