Gen_Blacky wrote on Wed, 11 June 2008 15:03I got unreal 3 just for this mod

My next big hardware update will be when this mod is close to being completed. I will upgrade my comp, get UT3, and play Renegade X!

EDIT: Bah...I have to upgrade anyway when Tiberium comes out. I missed out badly on "being there" when Renegade came out...I am not missing out like that on another C&C FPS.
