If this was referring to something related to Tiberium or RA3 or any other EA game, it would be on [www.tiberium.com](http://www.tiberium.com) or [forums.ea.com](http://forums.ea.com) or [www.commandandconquer.com](http://www.commandandconquer.com) not renforums. Any such news would come via apoc (as C&C community manager).
