The Renegade Community is invited to participate in a one-on-one (1v1) double-elimination tournament hosted by Tsunami Gaming and sponsored by Tsolutions, LLC. Prizes will be awarded to the top 4 finalists.

All levels of players are expected to play, so please do not be intimidated. And since this is a double-elimination tournament with well-balanced rules, you can be assured that all rounds will be as fair as possible.

Registration ends on June 22, 2008. So please register immediately. For more information (and to sign up), please visit the following link:

(We are also looking for leaders of other communities to help administer/supervise the tournament. If you are interested, please contact me directly).
