Goztow wrote on Sun, 22 June 2008 02:00Pawky, what will you gain from knowing about bugs that you cannot use? Just the temptation to use them .

That's just you assuming that most people are dishonest and will abuse the knowledge they have. This is simply untrue.

If I find out that Spoony does not know how to Obby backwalk, then I cannot consider him a top player and my respect for him would be tainted a bit. It's the knowledge that counts. Knowledge will make you powerful and that power, rest assured, given my character, will be used responsibily.
