havoc, if it was me I woulda hit my 0 key, grabbed a hotty and disarmed that timed.

The timed was on HIS CHEST! He could not disarm himself...also, I think he was on scopes. The
Meds firing did not help him either lolololol

And the funny thing about it is that he BLEW UP when he stood up to PM me the ?

lolololololllllllllllloool

Hes my buddy so it was all fun lol

Use free aim and you can usually disarm c4 attached to you.
