I just noticed the Renegade Demo comes with the readme file from the beta. The Table of Contents, has the following section:

6. C&C Mode - Known Issues
   6.1 C&C Mode - COMING SOON
   6.2 Bugs and Workarounds
      6.2.1 Game play
      6.2.2 Controls
      6.2.3 Weapons
      6.2.4 Vehicles
      6.2.5 Base Defenses
      6.2.6 Economy and Scoring

But this section does no exist in the readme itself. 6.2.6 might clear something up about the pointfix drama. I don't know really. Maybe some other things are listed that never really got fixed.

Someone who has access to the beta should consider uploading this file.
