lol?

Listen, you're NOT funny. You've never been funny, and at this rate, you'll NEVER be funny. Some may call you a troll, but I won't because you don't have the intention to annoy others. You're like a puppy. You want to please your master, but tearing up the sofa cushions and dropping the stuffing at your master's feet isn't about to get you rewarded, regardless of how proud of yourself you are.
