The screenshot shows a file download page. At the top, there is a file icon and the file name 'Reborn Stuff.rar'. To the right is a 'Report abuse' link. Below the file name, it says 'File type: File File size: 6,013 KB Uploaded: 2008-12-09'. There are 'Sponsored' and 'Your Ad Here' sections. An advertisement for 'Win EUR 5.000 Kerstbonus' is displayed, with the text 'Zoek de verschillen en maak kans op EUR 5.000'. A note below the file information states: 'This file has been stored on the publisher's virtual drive on 4shared.com ([online file storage](#) service). The file is shared for public access and downloading. The publisher is responsible for the content of the file.' Two ads are shown at the bottom: 'DomainNews.com' (Free News and Newsletter about the world of domain names) and 'Compare 10+ Online Degree' (Get your online degree in your spare time. Get more info. Start Today!). A red arrow points to the 'click here' link in the 'Save file to your PC' section, which is highlighted with a red box. The page also includes a 'Times downloaded: 9' and a 'Last downloaded: 2008-12-13' section, along with a 'File URL: <http://www.2shared.com/file/44222>' and a 'Save file to your PC: [click here](#)' link. A 'BOOKMARK' button is at the bottom left.
