Crimson wrote on Thu, 22 January 2009 16:54 If the idea of creating an alternative to XWIS was at all feasible, we'd already be doing it. It's not.

Who are you to say something like that? Why are you being such a defeatist about this? Someone like you should either whole-heartedly support this or just stay out of it. Even though developing this system so late in the games life is pretty much pointless why would you come out and be like that?
