Ok, I've talked with Kamuix and he doesn't mind.
afaik we collectively have/use:

A000000005 (traded to TSU afaik)

A00000000P (Unused)

A00000000Z

A00000001 (Unused)

A00000016

A00000038 (Unused)

KamBot

KamBotDEV

So I figure BC can use A0000000P, just gotta wait for Nightma12 to reset the password (because we got it from TSU in a trade afaik).
