Noize wrote on Mon, 27 April 2009 11:28Hello People,

Ive got some problems with NR or FDS.
Server files are doing good its at aow , sniper etc.

But:
I dont hear sounds when NR is going online,
or any comment are not working.

Dont you guys know how to fix this?

Thnx for helping!
I don't understand the problem...does the FDS show any error messages, and what exactly does NR say in the IRC channel.
