GEORGE ZIMMER wrote on Sat, 09 May 2009 08:25: Going to Germany and even mentioning Hitler is like going to a Christian Church and preaching Islam. And I don't fucking get it. Russia seems to be ok with knowing Stalin was a douchebag, why can't the majority of Germans do the same?

As for the Japan thing, yeah- Japan was WORSE than Germany in their torture methods and such. Nuking them might seem bad, but letting them continue on as they were wouldn't have been much better.

I wouldn't know about that.
