Spoony wrote on Wed, 20 May 2009 15:02 That would take way too long to get there; if you're ignoring the harv fight then nod's gonna have arties before you know it, and you won't be anywhere near affording meds. Plus if they don't see you in the cave, they'll be able to guess what you're up to; hearing the ob will also give them a clue

i'll be honest, this wouldn't be the first that popped into my head
