Goztow wrote on Wed, 05 August 2009 02:06 When we have a roster, do we simply post it in this subforum or will there be a sticky? Or do we PM it to you so you can add it to a post? Just trying to avoid unneeded new topics .

I am going to make a thread that will be made just for each community to submit their roster. This thread will be made one day before rosters should be submitted.
