grant89uk wrote on Mon, 17 August 2009 06:41As far as I know jelly left it in the hands of the current admins of Jelly-server as to whether or not we could have that nickname.

They gave us their blessing so you just need to get over it.

That's a fine attitude. However, given the actions of the faildus staff, I'm not going to just take your word for it. Not one single admin of Jelly has told me that they approve of your theft. Once again, as far as I'm concerned, it's still stolen.
