GETTING BACK AT PEOPLE, AMERICA STYLE!

Seriously though, Queenhunter. Suck a fat one.

You're already proven yourself to be a cheater in C&C Renegade, why are surprised that you run into people disliking you on a forum based around that game? You have to be the dumbest person I've ever seen on this forum, and that's saying a lot.

Your ridiculous "legal" threats mean nothing here, and fact that you are taking this seriously just makes it funnier. Here's some slander for you:

Get the fuck out of these forums, nobody wants you here. You're a moronic, juvenile, cheating sack of monkey shit, and nobody would care at all if you died in a car fire tomorrow morning. Get the fuck off the internet until your testicles have descended, you stupid fucking kid.

Kiss our asses.
