Fail, so your saying he supplied his IP in the screen shot, now he is threatening you guys? He kind
of gave it to you so I don't see how its really private anymore...

He supplied a screen shot of him using *CHET NAEM REMOV*. The IPs he supplies every time
he posts something.

Oh well thats not quite as lame, we have plenty of retarded cheaters on this sit that seem to
commonly manage to take screen shots while cheating.
