Of fuck. Hey dude, you're a piece of shit. Great now that I've violated this law, please spend tens of thousands on lawyers fees to sue me in Canada. How old are you? You say you've been on the internet for 16 years, really? If this is true I'd like to apologize because you would have to be at least 20 to say that. If you're 20+, then your IQ is seriously well below 70, thus making you retarded. If this is the case, SORRY.
