You barely play, but you've played SO many more cw's than I have, lets not lie.

But this still doesn't change the fact that you posted out of complete ignorance, just because you were angry that you lost to me the other day...Read the post, and the quote I was replying to; I wasn't asking Spooky for a 1v1, genius.

PS: I was playing with DnPLoKi and I didn't even have a mic LOL!oOL!olo
